REQUEST TO CORRECT FILING RECEIPT

Sir:

Applicants enclose a copy of the Official Filing Receipt that was received from the Patent and Trademark Office. The Filing Receipt contains incorrect information regarding the priority applications. The Continuing Data as claimed by applicants should read as follows:

"This application is a continuation of application Serial No. 08/444,627 filed May 19, 1995, which is a divisional of application Serial No. 08/243,545 filed May 11, 1994, now allowed and issued as U.S. Patent No. 5,554,512, which is a continuation-in-part of application Serial No. 08/209,502 filed March 7, 1994, now abandoned, which is a continuation-in-part of application Serial No. 08/162,407 filed December 3, 1993, now abandoned, which is a continuation-in-part of application Serial No. 08/111,758 filed August 25, 1993, which is a continuation-in-part of application Serial No. 08/106,463 filed August 12, 1993 which is a continuation-in-part of application Serial No. 08/068,394 filed May 24, 1993, now abandoned.

The invention title is incorrect on the Official Filing Receipt, with the misspelling of the word hematopoietic and should read as follows: "MEDIUM CONTAINING FLT3 LIGAND FOR CULTURING HEMATOPOIETIC CELLS."

Applicants therefore request the aforementioned corrections be made and a new Filing Receipt issued.

Respectfully submitted,
